

# ENVIRONMENTAL POLICY

Sittab Stol AB is one of the market leaders within seat environments. Our business strategy is to develop and sell seat accessories in standard or customized versions.

A sustainable development meets the needs of the present without compromising the ability of future generations to meet their own needs.

*Sittab Stol AB shall have as little impact on the environment as possible.*

*Our policy is therefore built on four supporting areas to rely on:*

**Continuous improvements**

**Open attitude**

**Respect humankind and the environment**

**Engagement and responsibility**

An open attitude spreads knowledge and engagement and we encourage our employees and suppliers.

As a developer and supplier we are committed to comply with legal requirements and other requirements applicable to our organization. All personnel and people working on behalf of Sittab Stol AB are encouraged to have a sustainable use of natural resources in mind.

The amount of all measures will help us continually improve our environmental performance.
